TOWN WARRANT

State of New Hampshire

To the Inhabitants of the Town of Hillsboro, County of Hillsboro in said State qualified to vote in town affairs.

You are hereby notified to meet in Childs Opera House in said town on Tuesday the Ninth day of March next at nine o'clock in the forenoon to act on the following subjects:

Article 1. To choose one Selectman for three years, Town Treasurer, Tax Collector, Highway Agent, Town Clerk, a Chief of Police for one year, Trustee of the Fuller Public Library for two years, Trustee of Trust funds for three years and all other necessary town officers or agents for the ensuing year.

Article 2. To hear the reports of the town officers, the reports of the auditors, agents, committees or other town officers heretofore chosen or appointed and to pass any vote relating thereto.

Article 3. To hear the report of the budget committee and act thereon.

Article 4. To raise such sums of money as may be necessary for town officers' salaries, town officers' expenses, Community Building, appropriations for street lights and all current expenses of the town and such amounts as may be necessary to apply upon the principal and interest of the town debt.

Article 5. To raise such sums of money as may be necessary for the building and repairing of highways, bridges, culverts and sidewalks.

Article 6. To see if the town will vote to accept State Aid for the permanent improvement of highways.

Article 7. To see if the town will vote to raise and appropriate the sum of \$500 to be applied upon the salary of the District Nurse. .

Article 8. To see if the town will vote to raise and appropriate the sum of \$100 for Memorial Day purposes.

Article 9. To see if the town will vote to instruct and empower the Selectmen to borrow such sums of money as may be necessary to meet current expenses of the town in anticipation of taxes.

Article 10. To see if the town will vote to raise and appropriate the sum of \$300.00 for the support of band concerts for the coming season.

Article 11. To see if the town will raise and appropriate the sum of \$400.00 for the purpose of co-operating with the State and Federal governments in the control of the White Pine Blister Rust or act in relation thereto.

Article 12. To see if the town will vote to reimburse Frank D. Paige, Chief of Police, the total amount expended by him in connection with the suits of Alves and Lozey against him, and raise and appropriate the sum of \$385.48 for that purpose.

Article 13. To see if the town will vote to authorize its Board of Selectmen to sell any and all real estate, or interest therein, not needed or used in con-

nection with town affairs, to such person, or persons, and for such price and upon such terms and conditions as to said Board seems advisable; and to authorize and empower said Board, as agents for the town, to execute and deliver all necessary deeds in connection therewith.

Article 14. To see if the town will vote to rescind any and all prior votes relative to the adoption of Chapter 9 of the New Hampshire Session Laws of 1935 known as the Municipal Budget Act; or take any action in relation thereto.

Article 15. Is it expedient to revise the constitution?

Article 16. To transact any other business that may legally come before said meeting.

Given under our hands this twentieth day of February, in the year of our Lord nineteen hundred and thirty-seven.

REPORT OF FULLER PUBLIC LIBRARY

Report for the Fiscal Year Ending Jan. 31, 1937

We gratefully acknowledge the many gifts of books and periodicals.

In April the librarian and trustees were hostesses at the second annual Library Tea which was served in the Reading Room. This special afternoon is much enjoyed by both patrons and hostesses.

On Oct. 16th an all-day district meeting was held at Fuller Public Library. An excellent program was furnished by the following speakers, Miss Mildred Peterson, Librarian Colby Junior College, Mrs. G. Stewart Campbell of Wilmot, Mrs. Nellie Pierce, Enfield, Second Vice President of N. H. L. A., and Mrs. Elizabeth Elkins of Concord.

The interest on the sum deposited in the Amoskeag Savings Bank amounting to \$148.42 was drawn, leaving a balance of \$618.88 on Jan. 31, 1937.

The circulation of books is slightly less than that of last year, due to closing the library during the installing of the heater and the small circulation during the scarlet fever epidemic

PRECINCT WARRANT

State of New Hampshire

To the Inhabitants of the Hillsborough Bridge Village Fire Precinct in the Town of Hillsborough, qualified to vote in Precinct Affairs:

You are hereby notified to meet in Precinct Hall in said Precinct on Monday, the fifteenth day of March, 1937, at seven o'clock in the afternoon, to act upon the following subjects:

1. To choose a moderator for the ensuing year.
2. To choose one water commissioner to serve five years and one fire commissioner to serve three years.
3. To choose a clerk, treasurer, auditors, and other necessary precinct officers for the ensuing year.
4. To hear the reports of the fire commissioners, water commissioners, clerk, treasurer, auditors, and other officers, and committees heretofore chosen, and to pass any vote relating thereto.
5. To raise such sums of money as may be necessary for paying the current expenses of the precinct, the debt of the precinct, and any other charges arising within said precinct.
6. To transact any other business that may legally come before the meeting.

Given under our hands this twenty-fifth day of February in the year of our Lord nineteen hundred and thirty-seven.

REPORT OF THE TOWN SCHOOL DISTRICT

For the Fiscal Year Beginning July 1, 1935 and
Ending June 30, 1936

To the Inhabitants of Hillsborough Town School District:

The Board of Education of the Town District, respectfully submits its annual report with that of the Treasurer, Superintendent and Auditors.

Six schools were maintained in the District and the work accomplished was a credit to pupils and teachers.

Frances Shaughnessy remained with us as music instructor and by much hard labor accomplished much in that capacity.

We have tried to give all expenditures careful consideration in every detail. but without the generosity and co-operation of the voters of the District, we could not have done the work in making our schools standard.

We will be pleased at the Annual Meeting to advise the voters in every way and recommend the appropriations we feel are necessary for the Fiscal year beginning July 1st, 1937, and ending June 30th, 1938.

The following is a detail summary of the expenditures made throughout the year of 1935 and 1936, as above mentioned. This account has usually been in the Treasurer's account, but due to the change by the death of our esteemed treasurer, Mr. Downing, the Board of Education submit the following account:

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of the Hillsboro Town School District:

The superintendent of schools submits the following tables and discussion for your consideration.

School Organization

School Board: Mary Lena Doyle, Chairman; J. W. Cobb, Andrew Sargent.

Superintendent of Schools: Vincent Gatto, Ed. M.

School	Teacher	Salary	En'ment
Center	Catherine Tasker	\$ 810 00	14
Flat	Gladys Murdough	900 00	20
Goodale	Mary Phelan	810 00	8
L. Village	Georgianna Gile	900 00	27
Merrill	Susan Pierce	810 00	11
U. Village	Grace M. Crane	900 00	18
Music Supervisor, Frances Shaughnessy			

During the year 1935-1936 the following children had perfect attendance without being tardy for the number of weeks indicated.

Center School: Elizabeth Devoy, nine weeks; Mary Devoy, nine weeks; Margaret Devoy, eighteen weeks; Leon Farrar, eighteen weeks; George Edwards, Jr., eighteen weeks; Chellis Edwards, eighteen weeks; Robert Edwards, twenty-seven weeks.

Flat School: Florence Fisher, whole year; Doris Crane, whole year; Fred Silkey, eighteen weeks; Catherine Kendall, nine weeks; Marjorie Twitchell, nine weeks; Fred Nichols, nine weeks; Earl Bennett, nine weeks; Sylvia Lougee, twenty-seven weeks; Charles Jackson, nine weeks.

Goodale School: No pupils reported with perfect attendance.

Upper Village: Raymond Blanchard, nine weeks; Robert Duefield, nine weeks; Carl Hoyt, nine weeks; Raymond Lyman, eighteen weeks; Walter Pope, nine weeks; Christine Sweeny, nine weeks; Marney Senecal, nine weeks; Hazel Woodrow, eighteen weeks; Celia Wilt, nine weeks; Regina Wescott, nine weeks.

Lower Village: Allan Eaton, whole year; Frances Shea, whole year; Ruth Seaver, whole year.

Merrill School: Leon Bumford, whole year; Kenneth Bumford, eighteen weeks; Curtis Rowe, eighteen weeks; Alden Rowe, eighteen weeks; Catherine Trottier, nine weeks; Priscilla Whitney, nine weeks.

Last June four boys and girls were graduated from the schools of the town district. Graduation was held at the Lower Village chapel before a large audience. The musical numbers, the class parts, the superintendent's address and presentation of diplomas, and the reception to the graduates afforded the people present one of the most enjoyable events of the year.

During the summer vacation the board of education had the schools thoroughly cleaned, and repaired.

An effort has been made this year to introduce similar text books, and courses in the town schools, as in those of the special district, in order to give all the Hillsboro schools more uniformity. This is desirable both from an administrative and educational point of view. Frequent teachers' meetings have been called by the superintendent of schools in order to freely discuss and talk over such questions as courses of study, adapting the school work to the ability and interests of the children, promotions, tests, the annual prize-speaking contest, the observance of National Education week, school needs in the way of books and supplies, and so forth, all resulting in a oneness of purpose and cooperation in all school activities.

At this writing standardized tests have been placed in the teachers' hands to measure the pupils' ability, and to see how well they do for the ability which they possess. The teachers were instructed to give the tests on the same date. A report will be made when the results are available.

It is suggested that the sum of fifty dollars be raised in addition to the customary amount which the school board provides for books. The schools are in great need of supplementary reading on Travel, Science, Literature, Economics, Magazines, and periodicals. This kind of reading will do a great deal towards broadening the children's conception of present day life and problems. The great majority of the children are not sufficiently provided at home with this type of reading.

The superintendent has given the town schools a substantial amount of his time, as he has to the schools of seven other school districts in this supervisory union. The teachers are commended for their hard work and interest. Thanks are due the school board for their efforts to fulfill the duties of their office namely, to provide elementary and secondary education for the children of the district. May everyone connected with the schools make the children's interests and welfare his greatest motive for his services.

Respectfully submitted,

VINCENT GATTO

Supt. of Schools

We estimate expenses for the current year to be in the vicinity of \$35,000. This includes the additional payment of \$3,000 and accrued interest on the indebtedness of the district.

During the present year we were obliged to purchase three new typewriters for the Commercial Department at a cost of \$180 due to an increased enrollment. We have had all windows in the Elementary School weather proofed by cementing between window casings and the building.

A policy has been inaugurated whereby a given number of rooms in each school are to be renovated each year and a program of minor repairs has been worked out whereby the sum appropriated for the last two years will take care of this program without added expenditures every few years.

Through the kindness of the Hillsboro Guaranty Sav-

ings Bank we have been allowed to retire notes to the amount of \$3000 these being notes of the longest maturity. This is in addition to the regular retirement of \$4000.

Owing to the demand for a Manual Arts Course, it was decided by the Board to install, for the present, a one year course in cabinet making. It was necessary to put in a new cement floor, new ceiling, erect benches and install fixtures in the room originally designed for this purpose. This being done, seven new pieces of woodworking machinery were purchased and installed ready for the September opening. Also there were supplied hand tools for a class of twenty pupils. When this was completed it made one of the best equipped Manual training departments for a school of its size in the state.

The above was accomplished at a total cost of \$1354.33 divided as follows: Construction in preparation \$424.80, new equipment \$929.53. The services of Mr. Robert Bailey, formerly of Dover, N. H. High School were procured to fill the position of Headmaster and Manual Arts Instructor, also to teach Mathematics. Out of a possible 72 boys in the High School, 57 signed up for the Manual Arts Course which would lead us to believe that it is a very popular course. All the minor repairs and refinishing projects of the High School have been done by the students. During the first five months of the present school year about 932 student hours have been used to this advantage. Even at such a low figure as 10 cents per hour, this has been a saving of \$93.00 to the District.

Under the supervision of Mr. Thompson at the Elementary school the pupils in this course have made rapid advance in the use of hand tools. The Board feels that with two years of hand work at the Elementary School and an advanced course in cabinet making at the High School a long felt want has been filled. It is the intention of the Board to add other courses in Manual Arts at such a time as it can be done without added expense to the District.

It is the desire of the Board and also the instructors of the Manual training departments to have parents and all others interested in the welfare of the pupils to visit the classes while in session so that they may see the class of work they are doing.

We estimate the required amounts for the school year July 1, 1937 to June 30, 1938 to be \$30,900.75, details of amounts to be found in the Proposed Budget of Hillsboro Special School District.

We expect receipts of about \$4300 in addition to the amount to be raised by taxation and recommend that the sum of \$26,600.75 be appropriated for the school year July 1, 1937 to June 30, 1938. This represents a reduction of \$548.25 from the amount appropriated at the last annual meeting.

The Board wishes to thank the Superintendent and the members of our teaching staff for their full and hearty cooperation during the past year. We also wish to express our gratitude to Mr. John S. Childs for lumber donated, Mrs. Eva W. Rickard for sewing machine, Mr. J. Arthur Towle for hardware, Mr. R. N. Johnson for Projector, and the Hillsboro Garden Club for the landscaping of the High School grounds.

General Discussion

The public schools of Hillsboro Special school district opened last fall with enrollments as follows: First grade, 26; second grade, 25; third grade, 17; fourth grade, 28; fifth grade, 27; sixth grade, 30; seventh grade, 25; eighth grade, 30; high school, 151, making a total of 359 pupils.

Last June thirty-six pupils were graduated from the elementary schools of the Hillsboro Special school district, and twenty-nine were graduated from the Hillsboro high school. The two graduations were held in the high school auditorium before capacity audiences. The graduation activities of the two schools proved to be among the most outstanding events of the year in Hillsboro.

The school buildings have been kept up in the ways explained in previous reports. Among the many improvements special mention should be made that every room in the Grammar school has been equipped with modern electric lights, the importance of which speaks for itself. Two class rooms were thoroughly repaired and painted in the same building, and many other smaller repairs were made both inside and outside. A great deal of unused space under the stairways and other parts of the high school has been turned into much needed closet rooms. The construction of a fine tennis court behind the high school,

the clearing of brush, trees, and old lumber by the boys working under the National Youth Act, and the planting of attractive shrubs and trees by the Garden club have made the high school premises much more attractive. Much remains to be done in the way of minor and major repairs. It is our intention to do it gradually in a manner which will not cause too great a financial burden on the school district.

Elementary and secondary education has been provided along traditional lines, and also by the introduction of new courses to provide for the interests and needs of the young people who come to us to be educated. Considering that General Science is taught in the seventh and eighth grades, this subject was discontinued in the high school, and a course in Biology has been introduced. This course together with Chemistry, Physics, and Mathematics gives an excellent background to those pupils who contemplate the pursuits of Nursing, Medicine, Engineering, Sanitary Biology, and similar scientific professions. In compliance with present day trends in secondary education a first class Manual Arts room has been equipped in the high school, with modern machinery, to enable the boys to continue the manual training to which they were introduced in the seventh and eighth grades two years ago. Nearly sixty boys are enrolled in this course taking real cabinet making. Unlike other subjects this course shows immediate results. Without any attempt to minimize the importance of any subject taught, perhaps less loafing is evident in the shop than in any other class room or laboratory. These facts are indicative of the value which the boys themselves attach to this new activity.

Athletics, club activities, and the general life of the schools are items on which the community is well informed, making further elucidation unnecessary.

The teachers and the principals are to be commended for their interest and hard work. The thanks of the entire community are due the school board for their untiring efforts to provide elementary and secondary education economically and yet on progressive principles.

Respectfully submitted,

VINCENT GATTO
